## YES THE BAR IS OPEN!

Thanks to all of the fine men and women that worked on our project.

Heineman Bar Company - Aaron Heineman, Coyle Brothers Construction - Patrick Coyle, Brian Wood Plumbing, One on One Electric - Peter Lesceki, Antrim Tile - Barry McNaughton, Painting by Larry Coppolino & Gilberto Rico, Burks Beer "Bobby".

And, we thank all of our loyal and long time bar & dining customers for their Over-the-Top Patience. Someone asked me why we were remodeling the bar, that they thought it was fine the way it was – I told him it was fine and now it's Really Fine! WE LOVE IT!
